BURNABY BY-LAWS.

A BY-LAW

To provide for Draining and Dyking of parts of the District of Burnaby, and for borrowing on the credit of the Municipality the sum of \$10,038.00 for completing the same.

(Provisionally adopted the 16th day of September, A. D. 1893.)

WHEREAS a majority in number and value of the owners, as shown by the last revised Assessment Roll, of the property hereinafter set forth to be benefitted by Drainage and Dyking, have petitioned the Council of the District of Burnaby praying that the Council should in virtue of the "Municipal Act, 1892," and Act amending the same, procure an examination to be made, by an Engineer or a Land Surveyor, of the low land situated between the line of road as formed or staked out of the North Arm Road on the one side and the north bank of the North Arm of the Fraser River on the other side, so far as the same is within the District of Burnaby, and also plans and estimates of the dyking and drainage work by such Engineer or Surveyor, and an assessment of the lands to be benefitted by such drainage and dyking, stating as nearly as may be in the opinion of the Engineer or Surveyor the proportion of benefit to be derived by such drainage and dyking by every road, lot, or portion of lot, and thereafter to pass the necessary By-law and carry out the other provisions of the Municipal Acts in reference to draining and dyking for providing funds for the work being done, levying assessments and carrying out the work, and generally to do or cause to be done all that is necessary and lawful in the circumstances.

And whereas thereupon the Council procured an examination to be made by Mr. J. W. Vaughan, Provincial Land Surveyor in New Westminster (being a person competent for such purpose), of the said locality proposed to be dyked and drained, and has also procured plans and estimates of the work to be made by the said J. W. Vaughan, and an estimate to be made by him of the land to be benefitted by such draining and dyking, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such draining and dyking, by every lot, or portion of lot, the assessment so made being the assessment hereinafter by this By-law enacted to be assessed and levied upon the lots, and parts of lots, hereinafter in that behalf specially set forth and described, and the report of the said J. W. Vaughan in respect thereof, and of the said drainage and dyking, being as follows :—

“ENGINEER’S REPORT.

“New Westminster, Sept. 16th, 1893.

“To the Reeve and Municipal Council of Burnaby :

“GENTLEMEN :—I have the honour to report that in accordance with instructions received from Alex. Philip, Esq., Clerk of your Municipality, dated 6th June, 1893, I proceeded in July to make Examinations,

Surveys, Estimates, and Schedule of Assessment for the construction of drains upon certain low-lying lands on the North Arm of the Fraser River within your Municipality, and I recommend that the work be carried out as follows, as shown upon the General Plan and in the Specifications submitted herewith :

“ Beginning at the south-easterly corner of Lot 173 upon the bank of the Fraser River, thence proceeding down the river along the bank construct a ditch of the dimensions set forth, the material to be thrown upon the side of the ditch next the river to form an embankment or dyke, said ditch to extend to the south-westerly corner of Lot 161.

“ Beginning at Station 14+44 on the traverse line at the base of the hill on Lot 155A, thence easterly along the base of said hill to Station 34+07, construct a ditch of the dimensions set forth.

“ Beginning at base of hill on the line between Lot 155A and Lot 173, at point of intersection of traverse line, thence southerly along said Lot line construct a ditch of the dimensions set forth.

“ Beginning at the north-easterly corner post of Lot 155B, thence along the line between Lots 155A and 155B to the corner of Lot 155C, construct a ditch of the dimensions set forth.

“ Beginning at Station 2+30, at intersection of Byrne Road Ditch and traverse line at base of hill, thence westerly along the base of hill to the south-westerly post of Lot 161, construct a ditch of the dimensions set forth.

“ Beginning at a point on the Wiggins Road at the intersection of the westerly boundary line of the easterly portion of Lot 166, owned by John Wiggins, thence southerly along said westerly boundary to the river, construct a ditch of the dimensions set forth.

“ Beginning at intersection of traverse line at base of hill and the line between Lots 2 and 3 in the subdivision of Lot 162, thence southerly along said line between Lots 2 and 3 to the Byrne Road Ditch, construct a ditch of the dimensions set forth.

“ Beginning at a point in traverse line at base of hill in Lot 163, at intersection of creek at Station 56+30, thence southerly on a line parallel to the side lines of Lots to the point of junction of the Byrne Road Ditch and the river, construct a ditch of the dimensions set forth.

“ Flood gates to be placed upon the ditches emptying into the river.

“ I estimate the cost of this work to be \$10,038, including preliminary and final surveys and incidental expenses, and I accordingly assess that amount, as shown on Schedule submitted herewith.

“ I would further recommend that in case any ditches or dykes already constructed are used an allowance be made the owners of the value thereof upon the basis set forth in the estimates.

“ I have the honour to be, Sirs,

“ Your obedient servant,

“ J. W. VAUGHAN, D. & P. L. S. & C. E.”

DELTA BY-LAWS.

A BY-LAW

Making Certain Provisions respecting Licenses for the Sale of Intoxicating Liquors within the Corporation of the District of Delta.

WHEREAS it is expedient to provide for regulating the manner and conditions under which the Board of Licensing Commissioners may authorize and grant the renewal of a license, or withhold the renewal of a license, to or from any person now holding a license, or to or from any person to whom a license may hereafter be granted, and for prescribing the form and conditions of the license to be granted by the Board of Licensing Commissioners or issued by their authority, and the days and the hours upon which the authority to sell liquor may be exercised, and for the regulating and cancelling of licenses by the Board of Licensing Commissioners before the expiry of the time for which such licenses were issued, and to make the provisions hereinafter contained:—

Therefore the Reeve and Council of the Municipality of the Corporation of the District of Delta, in Council assembled, in pursuance of the powers contained in the "Municipal Act, 1892," and the "Municipal Act Amendment Act, 1893," enact as follows:—

1. The expressions "liquor license," "license," "licenses," and "liquors" and "liquor" shall have the respective meanings given to them in section 212 of the "Municipal Act, 1892."

2. Every liquor license heretofore issued shall determine at the end of the period for which it was granted, unless it shall be renewed by the Board of Licensing Commissioners; and the holder of any such license shall be in the like position with respect to the renewal thereof as the holder of any license hereafter granted (if any) would be in reference to the renewal of such license.

3. The Board of Licensing Commissioners may direct the issue of licenses, either written or printed, or partly written and partly printed, for the sale of liquor by wholesale and by retail respectively, and such licenses shall be signed by the Clerk of the Municipality.

4. There shall be payable in advance for each wholesale license fifty dollars (\$50) for every six months, and for each retail license one hundred dollars (\$100) for every six months.

5. No sale or other disposal of liquor shall take place in the licensed premises or out of or from the same to any person or persons whomsoever from or after the hour of nine o'clock on every Saturday night until seven o'clock on the Monday morning next thereafter, nor between the hour of ten o'clock in the evening of any day and the hour of six o'clock in the morning of the next following day; and during the prohibited hours all bars shall be closed; provided always, that in any hotel liquor may be provided at any time for the guests boarding or residing at such hotel, to be consumed only at and with meals.

6. No person having a license shall receive in payment or as a pledge for any liquor supplied in or from his licensed premises anything except current money or the customer's own cheque upon a bank or banker.

7. No person having a license shall permit any violent, quarrelsome, riotous or disorderly conduct to take place on his licensed premises, or sell or deliver intoxicating liquor to any habitual drunkard or intoxicated person, or to any person under the age of sixteen years, or permit any such person to consume intoxicating liquor upon his premises, or permit any person of notoriously immoral character to frequent his premises, or permit any gambling or any unlawful game to be carried on or played on his premises.

8. No hotel-keeper having a license shall fail or refuse, except for some sufficient reason, to supply lodging, meals and accommodation to any traveller applying therefor within reasonable hours.

9. The Reeve or any Justice of the Peace having jurisdiction may, if he is satisfied by information on oath of any peace officer or other person that there is any liquor kept for sale or disposal in any unlicensed house within the Municipality, grant a warrant under his hand and seal, by virtue of which the person named in the warrant may at any time or times within ten (10) days from the date thereof enter, and if need be by force, the place named in the warrant and every part thereof, and the premises connected therewith, and examine the same and search for liquors therein, and for such purpose may, with such assistance as he deems expedient, break open any door, lock and fastening of such premises, or any part thereof, or of any closet, cupboard, box or other article likely to contain such liquor.

10. Any person may be prosecutor or complainant in respect of any breach of this by-law, but no information or complaint hereunder shall be laid or made in writing except within thirty days after the commission of the offence.

11. A special meeting of the Board of Licensing Commissioners may be called whenever deemed necessary by the Reeve or three other members of the Board, and written notice of every special meeting shall be given to each member of the Board at least 24 hours previous to the hour of such meeting by leaving such notice at the usual place of residence of the member.

12. Any person guilty of a breach of this by-law shall, on conviction, be liable to a penalty not exceeding one hundred dollars (\$100) and costs, or imprisonment for a period not exceeding two (2) months, at the discretion of the convicting Justice or Justices, and any money penalty imposed may be recovered by way of summary proceeding before any Justice or Justices of the Peace having jurisdiction in the Municipality, and may, with the costs of conviction, be levied by distress of the goods and chattels of the person so convicted, and in case such goods and chattels shall prove insufficient to satisfy such penalty and costs, then by imprisonment of such person for any time not exceeding two (2) calendar months.

13. It shall be lawful for the Licensing Board at any time, upon reasonable notice to the person having any license hereafter to be granted, and upon giving him an opportunity to be heard with reference thereto, to cancel such license if, in the opinion of the majority of the said Board, the person having such license shall have been guilty of such misconduct as to justify such cancellation, or the public interest so requires, and the person whose license shall have been thus cancelled shall have no claim whatever upon the Corporation in consequence of such cancellation, either for

the return of any money, or part thereof, paid for such license or otherwise, and all licenses which may be issued hereafter shall contain a clause expressly reserving this right of cancellation, and shall otherwise be in such form as may be approved of by the Council of the Corporation. But this special provision shall not be construed to impair or limit any power of cancellation given by the said Acts or any Statute which may for the time being be in force.

14. Clause one (1) of the "Delta Municipal License By-law, 1893," is hereby repealed.

This by-law may be cited as the "Liquor License By-law, 1893."
